

# Kitchen Competence Concept

Functionality has the highest priority for KLUDI in the kitchen and is a decisive purchasing criteria. The Kitchen Competence concept divides customer demands into three categories:

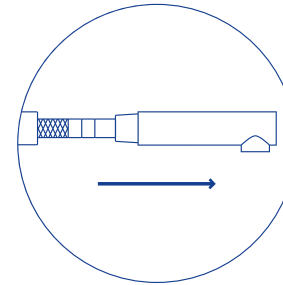

- COMFORT
- COMFORT PLUS
- EXCELLENCE

The second decisive criteria is the basic design form, which is defined as three lines:

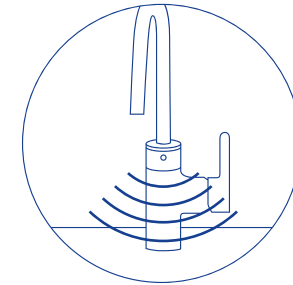

- M-LINE
- L-LINE
- C-LINE

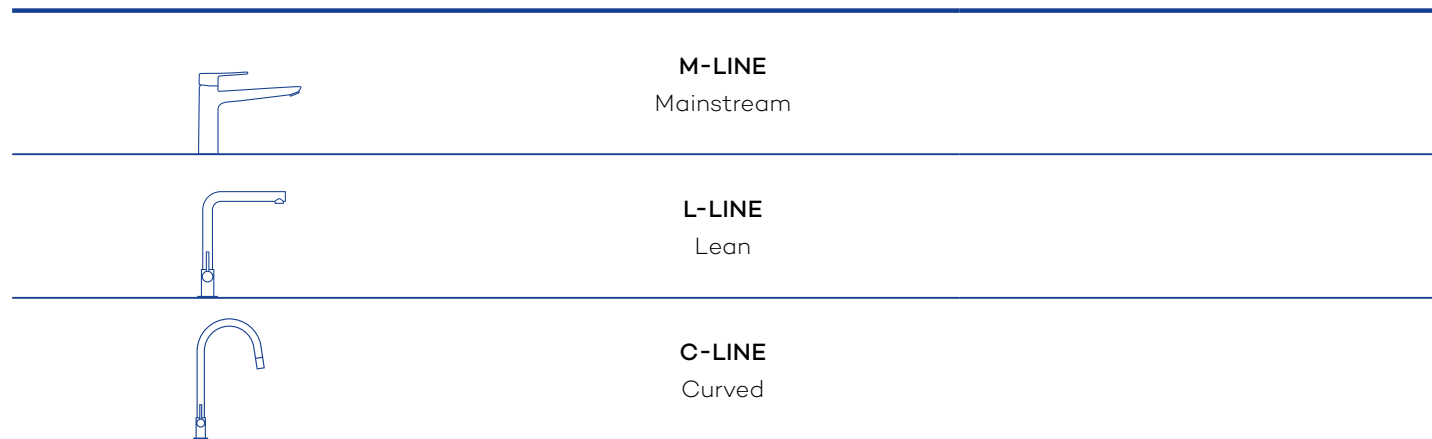

**COMFORT**  
Provides all functions for daily use

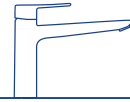

**COMFORT PLUS**  
Fulfils advanced requirements by combining basics with additional functions

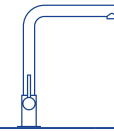

**EXCELLENCE**  
Meets the highest demands by combining basic functions with exclusive features

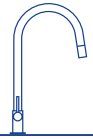

**M-LINE**

**L-LINE**

**C-LINE**
